Useful VESEP Application Information

VESEP Program Details

The Volunteer Emergency Services Equipment Program (VESEP) is an ongoing program funded by the Victorian Government, which provides grants to local volunteer emergency services groups for operational equipment, vehicles and appliances, and minor facility improvements.

- The 2024-25 VESEP offers grants of up to \$100,000 (excluding GST) to LSV Clubs
- Funding is only available for the financial year in which it is awarded
- The VESEP will fund \$2 for every \$1 contributed by the Club
- A co-contribution by the club is a mandatory condition of the program

You must attach quotations, specifications, photographs and any other material in support of your application.

VESEP Application Close Date

The VESEP Applications close: **Friday 14 June 2024.**

Late applications will not be accepted

VESEP Funding Criteria

Applications must meet the VESEP funding criteria. This includes:

- The asset will enhance operational capability
- The group has the appropriate resources to house, operate and maintain the asset
- The asset will provide a net community benefit
- Funding for the asset has not been received under another program
- The group must meet their matched funding formula contribution
- The group can demonstrate that the make and model of all equipment meets agency standards

Additionally:

- Eligible applicants may only apply for one grant
- The project must begin on or after the start of the funding allocation
- Funding should be fully expended by the end of the 2024-25 financial year

Suggested items to apply for are:

- lifesaving gear and equipment

or

- building refurbishment/renovation (as distinct from building maintenance).

Life Saving Victoria has set the following priorities for applications:

- 1.OH&S
- 2.Lifesaving Equipment
- 3.Building Works
- 4.Other

All equipment applied for must be approved for use by Life Saving Victoria Clubs and Services and meet the appropriate standards.

Non-approved equipment items will **NOT** be considered.

All building refurbishment/renovation projects will need to have planning permits and Marine and Coastal Act consent in place or evidence of exemptions in order to be considered for funding.

The Victorian Government encourages where possible and appropriate that grant recipients source their purchases from local businesses (Victorian or Australian).

Clubs should note that the VESEP will not fund recurrent expenditure such as repairs or maintenance.

VESEP will also not fund any core budget requirements, projects currently in progress, and project overspends.

Assessment of your Application

The VESEP Panel and your agency will review and prioritise your application.

Funding recommendations will be forwarded to the Minister for Emergency Services for approval.

Notification of Outcomes

After the formal assessment process is complete, all Clubs will be notified in writing of the outcome of their application.

A list of successful grants will be available on [EMV's website](#).

Explain why the funding is needed. Detail the benefit to your organisation and the community *

Word count:

For example, describe how the project will enhance operational capability. Must be no more than 200 words. Supporting documents can be attached below.

Describe what resources the club has in place to house, operate and maintain the equipment. *

For example: who will operate the equipment? Are there any specialised training requirements or certifications needed? Where will the equipment be stored? Will there be any ongoing costs to store and/or maintain the equipment? Must be no more than 100 words.

Will you receive funding for the same project from another program? *

☐ Yes ☐ No

"Another program" may include any other local, state or Commonwealth government grant program. This does NOT include the matched contribution from your club.

What is the name of the other program and how much funding will you receive? *

Please confirm that the club is able to meet the matched funding contribution requirement. *

☐ Yes ☐ No

If this application is successful, the club will need to contribute \$1 for each \$2 of VESEP grant funding. For example, to receive a grant of \$100,000 your matched contribution would be a minimum of \$50,000, to fund a project with a total cost of \$150,000.

Generally, an application is ineligible for VESEP funding where the applicant is not able to contribute the matching funding required.

However, consideration may be given to any significant factors relating to the club's ability to meet this requirement when reviewing the eligibility of your application.

Confirm the amount of funding the club is able to contribute. *
