Useful VESEP Application Information

VESEP Program Details

The Volunteer Emergency Services Equipment Program (VESEP) is an annual program funded by the Victorian Government, which provides grants to local volunteer emergency services groups for operational equipment, vehicles and appliances, and minor facility improvements.

- VESEP offers grants of up to \$150,000 (excluding GST).
- Funding is only available for the financial year in which it is awarded.
- VESEP will fund \$2 for every \$1 contributed by the group.
- A co-contribution by the group is a mandatory condition of the program.
- You must attach quotations, specifications, photographs and any other material in support of your application.

VESEP Application Close Date

The VESEP Applications close: **4pm Friday, 14 June 2024**

Late applications will not be accepted

How to Apply

VESEP applications will only be accepted by submitting this form.

All questions marked with an asterisk must be completed to enable this form to be submitted.

Once you have completed the form you must select the '**Review and Submit**' tab.

When you have finalised your application and all the required fields have been completed, select the '**Submit**' tab at the top of the form to submit your application.

Upon submission of your application, you will receive an email confirmation and a copy of your application for your records.

If you do not receive the confirmation email please contact us at
emvgrants@justice.vic.gov.au.

VESEP Funding Criteria

Applications must meet the VESEP funding criteria. This includes:

- The asset will enhance operational capability
- The group has the appropriate resources to house, operate and maintain the asset
- The asset will provide a net community benefit
- Funding for the asset has not been received under another program

- The group must meet their matched funding formula contribution
- The group can demonstrate that the make and model of all equipment meets agency standards.

Additionally:

- Eligible applicants may only apply for one grant (single application form)
- The project must begin on or after the start of the funding allocation
- Funding should be fully expended by the end of the 2024-25 financial year.

The Victorian Government encourages where possible and appropriate that grant recipients source their purchases from local businesses (Victorian or Australian).

VESEP will **not** fund:

- core budget requirements
- recurrent expenditure such as maintenance, operating costs associated with assets
- projects currently in progress
- project overspends

Assessment of your Application

The VESEP Panel and your agency will review and prioritise your application.

Funding recommendations will be forwarded to the Minister for Emergency Services for approval.

Notification of Outcomes

After the formal assessment process is complete, all applicants will be notified in writing of the outcome of their application.

A list of successful grants will also be available on [EMV's website](#)

For example resources could include: people in place to operate the equipment. The required training or certificates have been obtained. There is somewhere to store the equipment. The Unit has resources to cover any ongoing costs to store and/or maintain the equipment.

Do you expect to receive funding for the same project from another program? *

☐ Yes ☐ No

"Another program" may include any other local, state or Commonwealth government grant program. This does NOT include the matched contribution from your unit.

What is the name of the other program and how much funding will you receive? *

Please confirm that the Unit is able to meet the matched funding contribution requirement. *

☐ Yes ☐ No

If this application is successful, the Unit is expected to contribute \$1 for each \$2 of VESEP grant funding. For example, to receive a grant of \$100,000 your matched contribution would be a minimum of \$50,000, to fund a project with a total cost of \$150,000.

Generally, an application is ineligible for VESEP funding where the applicant is not able to contribute the matching funding required.

However, consideration may be given to any significant factors relating to the unit's ability to meet this requirement when reviewing the eligibility of your application.

Provide an explanation for why your unit is requesting special access to the program. *

Any additional documents supporting your claim of financial hardship can be attached at the end of the application form.

Confirm the amount of funding the unit is able to contribute. *

\$

Must be a dollar amount.

This amount should already be included in the budget section on the previous page. Please update the budget section if it differs from the amount you indicate here.

Please upload any additional evidence to support consideration of your request
